

BASIC LONG DISTANCE RATES - INTERNATIONAL OUTBOUND

International Outbound service describes long distance calling to destinations other than in Canada and the United States.

Calls are placed subject to service restriction in effect at the terminating point. Some areas within the destinations lists may not be accessible by telephone.

Rating for calls terminating on a wireless device (mobile), such as a cellular phone, a pager, etc., may differ from a wireline rate.

A non-discounted transaction charge applies in addition to the per minute rates in the chart below for all calls, other than customer-dialed, for each call as follows:

Automated:	
a: Calling Card	\$1,75
b: Credit Card	\$1,75
