Receivers.

Build your Satellite TV programming.

Bell Satellite TV offers you the flexibility to select more of the channels you really want. Choose from a wide variety of programming, including HD channels, International channels and Theme Packs.

Getting started is easy – simply follow the steps below to build programming that suits your needs.

Step 1: Select your plan.

Select from our most popular plans, or choose to build your own. Every plan starts with The Basic channels, which includes HD at no extra charge, and Network Time-Shifting,² which allows you to watch shows from up to five different times during the day.

Step 2: Customize your programming.

Choose your Preassembled or À la carte package. You can also add HD Theme Packs, Premium Movies Packs, and individual channels to complement your programming even more.

Step 3: Add Specialty programming.

If you want to add channels that meet your other interests, choose from a selection of Special Interest and International packages.

Step 1: Select your plan.

Every plan starts with The Basic channels, which includes HD, and Network Time-Shifting. Also, our prices include all monthly fees, so the price you see is the price you pay.
