

Bell Accessibility Services Application Form

At Bell, we are committed to making our services more accessible and have introduced products and enhanced services tailored to meet the needs of our customers. Our Accessibility Services Centre (ASC) helps customers with certain accessibility needs get the most out of their Bell services.

In order to register as having an accessibility need:

1. Complete **Section One** and **Section Three** of the form.
2. Please have your licensed health practitioner or representative of an organization that can attest to your accessibility need complete **Section Two** of the form below.

Or:

Please attach a copy of documentation proving your disability (which must include your name). Acceptable examples include but are not limited to: CNIB membership card, Canadian Hearing Services documentation, ODSP documentation, a provincial accessible parking permit, or receipts for hearing aids.

3. Submit all pages of this document (and supporting documentation if applicable) to the Accessibility Services Centre (ASC), using the instructions at the bottom of this document.

When your completed form has been processed, we will contact you to confirm your registration and advise you of services you qualify for. Bell reserves the right to determine eligibility for accessibility discounts and/or accessibility services upon receipt of this application form.
