

Change to your Bell Aliant service rate.

Last year, Bell invested \$4 billion in its network infrastructure. These investments enable us to have the capacity necessary for the growth in use of communications services as well as to keep providing exceptional new features, even faster Internet technology and world-class entertainment. In order to support these investments, the monthly rate of your TV service will increase by \$5, as of your first billing period after February 1, 2019.*

If you have any questions or wish to cancel or modify your services, please call us at 1 866 425-4268.

Thank you for being with Bell Aliant. We appreciate your business.
