

# Apple Watch Activation Steps

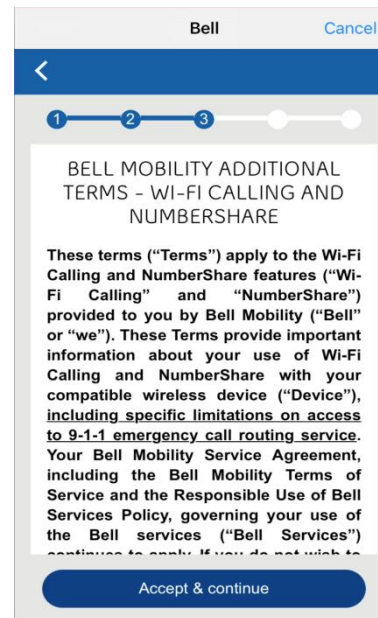

1. Upgrade iPhone software to iOS11
2. Open the “Watch” app on iPhone to pair your Apple watch.
3. Set-up the watch and enable cellular connectivity through on-device self-activation (ensure you have your MyBell username and password ready). See screens below for a step-by-step walk-through.

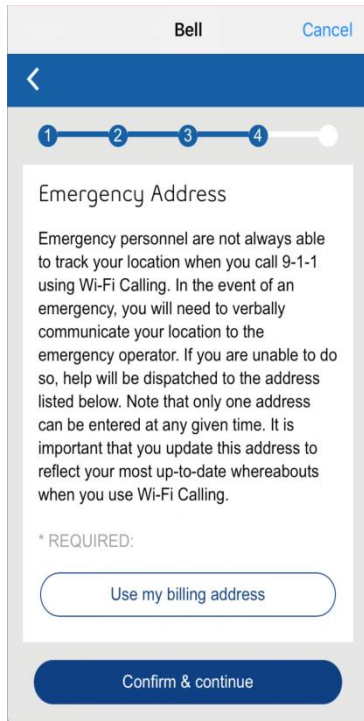

Click **Continue** to select the Smartwatch Plan with NumberShare

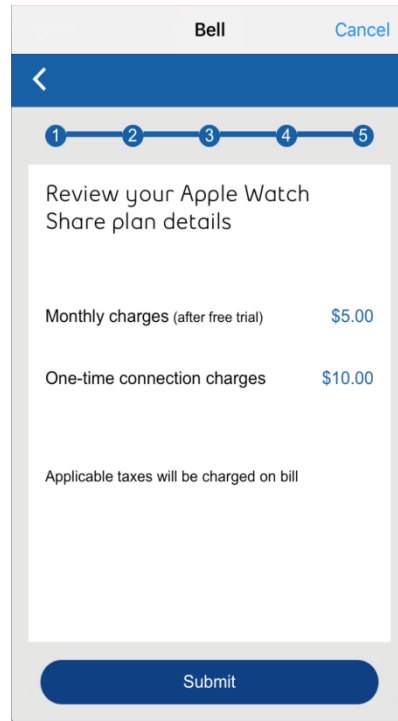

Enter your MyBell username and password and click **Continue**

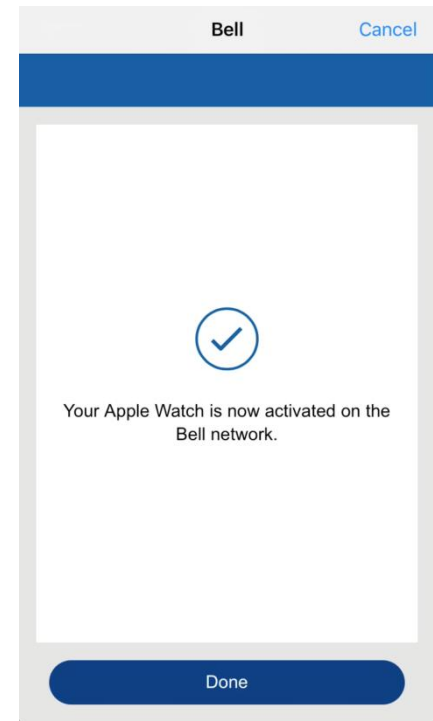

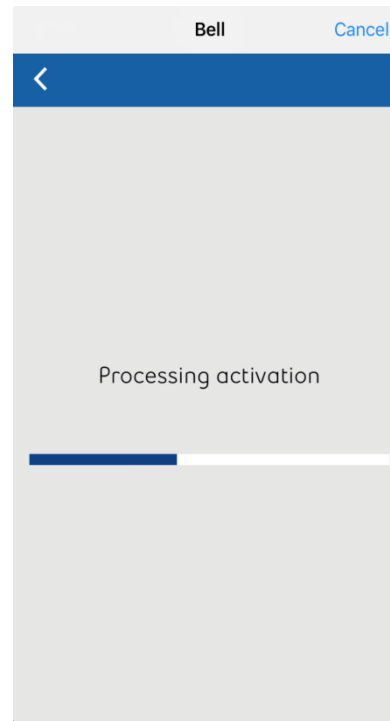

Scroll to the bottom of the Terms of Service, and then click **Accept & continue**

Enter your Emergency address and click **Confirm & continue**

Review your rate plan and click **Submit**

And you're all set-up to enjoy your new Apple Watch!
