<p>licensee adhere to the requirements regarding non-simultaneous program deletion set out in section 43 of the <i>Broadcasting Distribution Regulations</i>. The Commission may suspend the application of this provision upon its approval of an executed agreement between the licensee and the broadcaster concerned or its representative. Such an agreement must deal with issues related to the protection of program rights arising in connection with the discretionary carriage of a second set of 4+1 U.S. signals and distant Canadian television.</p> <p>For the purpose of sections 29(3) and 29(4) of the <i>Broadcasting Distribution Regulations</i>, the licensee's annual contribution to a community programming undertaking licensed in a licensed area shall be calculated on the basis of the licensee's gross revenues derived from broadcasting activities in that licensed area in each broadcast year.</p>	Yes	No	Yes		<p>Broadcasting Notice of Consultation CRTC 2010-931 Regulations amending the <i>Broadcasting Distribution Regulations</i>. For distribution of television stations that originate outside the Eastern time zone, Bell will abide by s.22 of the amended <i>Regulations</i>, as set out in that same notice.</p>
